

2019 SGS Assembly – Useful Information

Electronic elections

In tune with modern practices, elections at the assembly will be carried out electronically. All assembly guests will be allocated their own password, which may be found on the reverse side of the name tag.

To vote, please click on *ELECTIONS (KOSNINGAR)* on the homepage of the assembly website or on the menu to the side. Here you can vote, enter your password into the field and then click on *VOTE (KJÓSA)*.

Please note that you will have to enter your password for each election.
