

Proposal for amendment to the current proposal for regulations amendment

A proposal is put forth which stipulates that paragraph 1 of article 5.01 of regulations regarding SGS's executive committee will be amended in the following manner: the executive committee will consist of **19 individuals**. The chairman and vice chairman must be voted separately along with **17 members** and **7 vice members**.

Definitions.

The proposal for regulations amendment is intended to democratise the movement even further and to ensure the representation of all unions and the rights of smaller unions.

It is proposed that the voting of this proposal should be conducted electronically and anonymously.
